COMMUNITY HALL PROJECT

Have your say.

Preliminary design plans for the Clonbinane community hall are available for comment.

Do you want to view the plans and comment on the two design options?

Copies of the plans can be viewed on a notice board near the water towers in Linton Street Clonbinane and the Clonbinane community website at www.clonbinane.vic.au.

Community members are invited to provide feedback until the 6th of August on the design options via an on-line survey on the Clonbinane community website or by mailing feedback to 16 Ryans Road, Clonbinane.

Hard copies of the survey can be obtained by contacting Jacqui Simms on 0407944414.

Seeking information about our children – post fires

It has been discussed at the Wellbeing meetings, as well as being brought up to me on numerous occasions in my travels in the community that some parents are having concerns with their children. For some it has been around school/work grades, for others it's behavioural changes.

I am wanting people's feedback as to:

- How do you consider your children or your clients children are coping after the fires at this point in time?
- What programs do you think would help your children? For example are therapy, home work groups, fun activities, group outings, support groups?
- What services do you feel could be put in place to help your children?
- What do you feel is missing for children and families coming to terms with the fires in our area?
- Do you think it would be worthwhile running a session to discuss issues/ideas?
- If there are any other suggestions/thoughts please feel free to put them down

The information will be taken to the Wellbeing group and then we (and you are more than welcome to come along) will look at what we can do with it.

Please note that all information is completely confidential, no names will be used at any time or under any circumstances. The Mitchell Shire Council acknowledges and respects the privacy of individuals. Personal information collected by Council is used for municipal purposes as specified in the Local Government Act, 1989.
